Supervisor Antonovich made the following statement:

“On February 22, 2000, the Board established procedures for the formation of the Project Area Committee (PAC) for the West Altadena Community Redevelopment Project (WACRP). The procedures specified that the PAC shall be in existence for six years from the date of the first election, which was certified on June 6, 2000. Under the procedures, the Board may extend the duration of the PAC for the WACRP area.

“The purpose of the PAC is to provide for enhanced community involvement in planned and future redevelopment activities in the WACRP Area. Over the past six years, the PAC has provided a valuable forum for discussion of redevelopment activities in the WACRP. At a PAC meeting held January 30, 2006, the PAC members unanimously approved a motion to request extension of the PAC.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Knabe, unanimously carried (Supervisor Molina being absent), the Board took the following actions:

1. Extended the duration of the Project Area Committee (PAC) for the West Altadena Community Redevelopment Project (WACRP) Area an additional 20 years, to continue to provide for enhanced community involvement in planned and future redevelopment activities in the WACRP Area; and
2. Directed the Executive Director of Community Development Commission to hold elections for a new PAC in accordance with previously adopted procedures.
